MEET THE MOST LUXURIOUS BUS FROM MAHINDRA.

Here's a bus that promises to make every journey the most comfortable one. Presenting the all-new passenger bus, Mahindra CRUZIO GRANDE. This Best-In-Class bus is backed by Mahindra's strong legacy and assures you unrivalled performance and economy. Mahindra CRUZIO GRANDE is ideal to drive in profits in city, intercity and coach applications. It's built for long-term profitability and lower total cost of ownership. Without doubt, this is the perfect addition for your fleet.

DRIVE THE LPO ADVANTAGE.

LPO means 'Long Platform Overhang', which is a variant of the LP chassis. The overhang offers a long loading span without increasing the number of axles and tonnage. The LPO advantage in Mahindra CRUZIO GRANDE shifts more control into the hands of the driver offering better visibility and also ensures the safety of the passengers. The special feature of this bus is the door being ahead of the front wheel. This also creates an additional benefit by making optimum use of space for an extra passenger seat. It's time to add the LPO edge to your business, it's time to add Mahindra CRUZIO GRANDE to your fleet.

ENJOY ERGONOMICALLY DESIGNED COMFORT.

Mahindra CRUZIO GRANDE is designed with thoughtful features that strike the perfect balance to ensure that both passengers and the driver are comfortable.

- Best-In-Class ride comfort with parabolic suspension
- Low NVH (Noise-Vibration-Harshness)
- Reduction in the window sill height for hand rest
- Smartly located sliding windows with better ventilation and illumination
- Stylish front and rear FRP fascia
- Wide and Comfortable seats

MILEAGE TO TAKE YOUR BUSINESS TO NEW LENGTHS.

Mahindra CRUZIO GRANDE has been engineered to give you more mileage and more profits. Thanks to Mahindra's mDi Tech engine which has been tried and tested over many years and has delivered solid fuel economy. Add to this the FuelSmart technology and what you have is a bus that contributes to your earnings in a big way.

Proven mDi Tech Engine

KEEPING OUR MOST PRECIOUS CARGO SAFE AND COMFORTABLE.

Students are the most precious. And nothing is more important than their safety and comfort. Which is why the Mahindra CRUZIO GRANDE school bus is designed around the students, keeping their needs in mind. It comes with features like the Mahindra iMAXX telematics technology that lets you track the school bus at any given point of time. And a parabolic suspension for Best-In-Class comfort. All this, because children deserve a happy ride to school and back, every day.

THE LPO ADVANTAGE.

LPO means 'Long Platform Overhang'. This feature helps shift more control into the hands of the driver, enabling him with better visibility and thus better safety of children. Another LPO advantage is optimum space utilisation. The door of the bus is ahead of the front wheel. This allows space for an extra seat, which means you can accommodate more children per ride.

ENJOY ERGONOMICALLY DESIGNED COMFORT.

Mahindra CRUZIO GRANDE is designed with thoughtful features that strike the perfect balance to keep both students and the driver comfortable.

KEY FEATURES

- 100% RELIABILITY** Mahindra iMAXX is backed by artificial intelligence so you get accurate results every day.
- PERSONALISATION** As your business evolves, so does our technology to suit all your needs.
- ZERO DATA LOSS** It's equipped with a bigger battery and memory to store data. In addition, it also works on all generations - 4G, 3G and even 2G.
- SMART REPORTS** Gives analytical insights and reports regularly to monitor and grow your business.

MILEAGE AND POWER AT THE TOUCH OF A SWITCH.

Developed by Mahindra to give your business a competitive edge, the FuelSmart switches let you choose between superior mileage and optimum power as and when your business demands. Turn on the Heavy mode when your bus is full. And simply switch on the Light mode when running empty. Each mode squeezes the maximum efficiency from the mDi Tech FuelSmart engine.

WHAT'S AT THE HEART OF MAHINDRA CRUZIO GRANDE?

This luxurious vehicle is powered by Mahindra's mDi Tech FuelSmart engine. The engine is powerful, super-efficient, low on friction, and comes with FuelSmart technology. But most importantly, it is backed by Mahindra's reputed CRDe expertise of more than a decade. This engine has an 1800 Bar Common Rail System and an Alternator Wastegate Turbocharger that together give you improved performance; by delivering a unique combination of higher power and higher fuel economy. A Hydraulic Lash Adjuster (HLA) means no more tappet setting every now and then. Same with the Auto Belt Tensioner which sets itself and requires no manual adjustments.

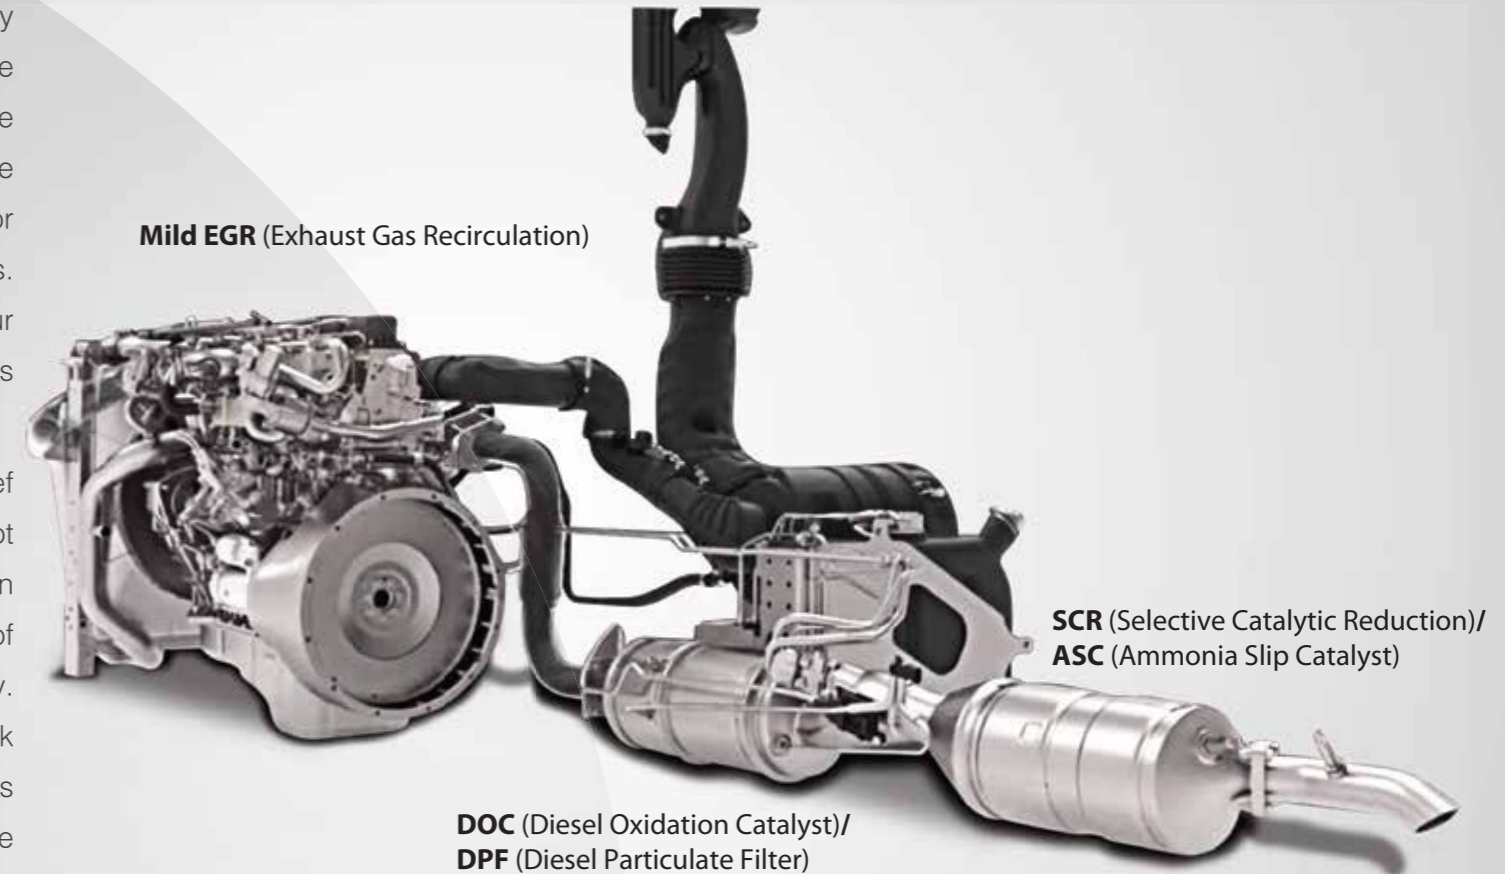

Then there's the gear driven Air Compressor which enhances engine reliability to a high degree. An Electronic Viscous Fan makes sure that the engine temperature is always within a safe range. A Higher Capacity Alternator makes sure higher electrical loads are not a problem. There's even an Aluminium Flywheel Housing just to make sure you get the most optimum aggregates and the best performance.

MAHINDRA **BS6** AFTER TREATMENT SYSTEM LOWER ADBLUE MEANS HIGHER EARNINGS.

Mahindra CRUZIO GRANDE is not only built for profits but also for savings. Use Mahindra recommended AdBlue Maximile Plus for lower AdBlue Consumption that means fewer trips for refueling and lower AdBlue expenses. And what does this mean for your transport business? Increased earnings of course.

All this comes from the company's belief that the journey from BS4 to BS6 is not just about a technological change but an effort to change people's mindset of doing business in the transport industry. This belief meant that Mahindra Truck and Bus had to make minimal changes to its vehicles because they were already BS6 ready at the BS4 stage with 90% of the parts being the same. Which benefits our customers immensely as they don't have to worry about availability of spare parts and after-sales service.
