Date - 14/Apr/2018

To,

Mahindra and Mahindra Ltd

Truck and Bus Division, Jaipur

We Kamal Agarwal In-charge of M/s GR INFRA, Udaipur, Rajasthan. We have total fleet of 1600 trucks including Mahindra 100 plus vehicles operating throughout the India. We are operating this vehicle in tipper, tip trailer, transit mixer & market load application.

Upon market opinion and reference taken from several customer we purchased 30 no. of Blazo 37-2 trucks Blazo-49 -5 A.C., Blazo-40- 1, Blazo-25 tipper -50,T.m.- 45, and Boom pump-10 cbc in first time.

Now we are very happy with blazo performances like fuel efficiency and Ad blue consumption.

We are very happy with Blazo performances and Service support.

Following my Testimonial and observation on Mahindra trucks,

1. Best Fuel Efficiency - Blazo 49 BS4 FE is 3.25 - 3.35kmpl with AC on Allahabad-Bharwari-Fatehpur-Bahua-Banda-Kabrai-Mahoba & Ad-blue consumption is 1.00-2.00 %.

Model	Route	Pay Load - Ton	Material	FE	Ad-Blue Consumption
Blazo49 BS4	Allahabad-Bharwari-Fatehpur-Bahua-Banda-Kabrai-Mahoba	34-35	Grit	3.25 - 3.35kmpl	1.00 - 2.00%

2. Apart from study Engine, Gearbox and differential, aggregated like clutch plate, brake liner are also robust & performing well.
3. Service support from Mahindra team is quick and appreciable.
4. Driver are very happy with cabin comfort and less blind area and less turning circle and fuel FE.
5. Best invitation in Mahindra vehicle i.e. Multi-Mode System because driver easily increase and decrease engine power as per requirement by using multi-mode system and save more diesel as compare to other vehicle.
6. Very high engine power as compare to other vehicle like AL and TATA etc.

I will recommend other Transporters to buy Mahindra Trucks.

Thanks & Regards,

Kamal Agarwal
