Sub - Appreciation letter for Mahindra Blazo vehicle performances and Service support.

We M/s Satyanarayan Mali owner of Bagwan Roadline. We are operating this transport last 5 years now we have total fleet size is 25 trucks including 14 No. of Mahindra Blazo 49BS3 & BS4. We are operating this vehicle mainly in Tractor-Trailer (Iron cores and Coal) application on Bhilwara - Kandla - Bhilwara route in both side rated load application. We are very happy with Mahindra Blazo performance and service Support.

My observation of the Mahindra truck is as follows,

1. Best Fuel Efficiency - Blazo 49 BS4 FE is 3.0 kmpl Ad-blue consumption is 3.5 - 3.75%.

Model	Route	GVW - Ton	Material	FE	Ad-Blue Consumption
Blazo 49 BS4	Bhilwara - Kandla - Bhilwara	49	Iron core and Coal	2.9 - 3.0 kmpl/kmpl	3.5 - 3.75%
AL 4923 BS3	Bhilwara - Kandla - Bhilwara	49	Iron core and Coal	2.8 - 2.85 kmpl	
TATA 4923 BS3	Bhilwara - Kandla - Bhilwara	49	Iron core and Coal	2.6 - 2.65 kmpl	

- All my vehicles operation started on Jan 2016 but as of now I have not faced any major breakdown.
- There is no abnormal tyre wear issue in Blazo 49 and getting a life of 1,00,000 kms compare to Tyre life in TATA 4923 AS 80,000 kms and AL 4923 as 85,000 kms.
- As the vehicle is having good maneuverability the drivers are able to take the vehicle through winding village roads and ghat sections easily.
- My fleet drivers are giving positive feedback on Blazo 49 pick up compare to other vehicles and they can cover more kms at a stretch due to better cabin comfort and it is observed that monthly kms coverage by Blazo is 10,000 kms where as TATA / AL is covering only 9,000 kms in same application.
- As of now my vehicle covered 150,000 kms but I have not changed clutch or brake liner.
- Because of multi-language people in Mahindra NOW24X7 call center my driver is able to communicate easily by which I don't need to worry if there is any breakdown.
- Extra 500Kg payload capacity as compare to TATA 4923.

I will recommend other Transporters to buy Mahindra Trucks.

Thanks & Regards,
