Sub – Appreciation letter for Mahindra Blazo vehicle performances and Service support.

We M/s Hari Singh Jat based at Shambhupura, Chittorgarh. We have total fleet size of 45 trucks including 12 No. of Mahindra & 12 No. of Blazo 49 BS4. We are into cement application from past 22 years running between Shambhupura to Tonk/Ajmer/Jalore/Pali/Sirohi/Bhilwara & Jaipur one side load rated application.

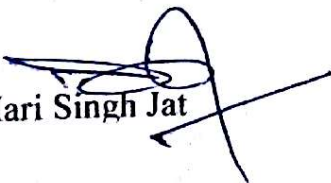

Upon market opinion and reference taken from several customer we purchased Mahindra vehicle first time in Jan 2018 and experiencing high level satisfactory vehicle performance & Service support from Mahindra team and dealer.

My observation of the Mahindra truck is as follows,

1. Best Fuel Efficiency – Blazo 49 BS4 FE – 3.10 - 3.15 kmpl Ad-blue consumption is 3.0 – 3.25% with one side rated load application.
2. Cabin is more comfortable for driver for more kilometer in single stretch than the competitor.
3. The product is very reliable without any major breakdown so that I have not made any losses.
4. Maintenance of Mahindra is good than other market competitor.

I will recommend other Transporters to buy Mahindra Trucks.

Thanks & Regards,

  
Hari Singh Jat
