LD BSIV

MAHINDRA OPTIMO LIGHT DUTY

The Mahindra Optimo LD is designed with everything best in class. Like the best in class engine for fuel efficiency, the best in class loading span and the best in class architecture to give extra agility. Go ahead, choose Optimo for the best in class performance.

FEATURES TO HELP YOU OUTPERFORM

- Best-in-class fuel efficiency
- Best-in-class loading span
- Compact build for reaching even small, crowded areas
- Power steering for fatigue-free driving and easy manoeuvrability

FuelSmart is automotive technology at its best, at its simplest. Developed by Mahindra to give your business a competitive edge, the FuelSmart switches let you choose between superior mileage and unmatched power as and when your business demands.

Turn on the Load mode when the vehicle is loaded and simply switch on the Empty mode when running without load. Both modes squeeze the maximum efficiency from the engine and provide you unbeatable mileage. This is the FuelSmart advantage.
