**CRUZIO**  
GRANDE

**PRESENTING YOUR NEW BUSINESS PARTNER  
MAHINDRA CRUZIO GRANDE.  
COMFORTABLE RIDE. PROFITABLE BUSINESS.**

**MEET THE MOST LUXURIOUS BUS FROM MAHINDRA.**

**MILEAGE AND POWER AT THE TOUCH OF A SWITCH.**

Developed by Mahindra to give your business a competitive edge, the FuelSmart switches let you choose between superior mileage and optimum power as and when your business demands. Turn on the Heavy mode when your bus is full. And simply switch on the Light mode when running empty. Each mode squeezes the maximum efficiency from the mDi Tech FuelSmart engine.

FuelSmart Technology

**ENJOY ERGONOMICALLY DESIGNED COMFORT.**

Mahindra CRUZIO GRANDE is designed with thoughtful features that strike the perfect balance to ensure that both passengers and the driver are comfortable.

- Best-In-Class ride comfort with parabolic suspension
- Wide and Comfortable seats
- Smartly located sliding windows with better ventilation and illumination
- Low NVH (Noise-Vibration-Harshness)
- Stylish front and rear FRP fascia

**DRIVE THE LPO ADVANTAGE.**

LPO means 'Long Platform Overhang', which is a variant of the LP chassis. The overhang offers a long loading span without increasing the number of axles and tonnage. The LPO advantage in Mahindra CRUZIO GRANDE shifts more control into the hands of the driver offering better visibility and also ensures the safety of the passengers. The special feature of this bus is the door being ahead of the front wheel. This also creates an additional benefit by making optimum use of space for an extra passenger seat. It's time to add the LPO edge to your business, it's time to add Mahindra CRUZIO GRANDE to your fleet.

Best-In-Class Mileage

Designed Around Your Safety

Maximum Convenience

## WHAT'S AT THE HEART OF MAHINDRA CRUZIO GRANDE?

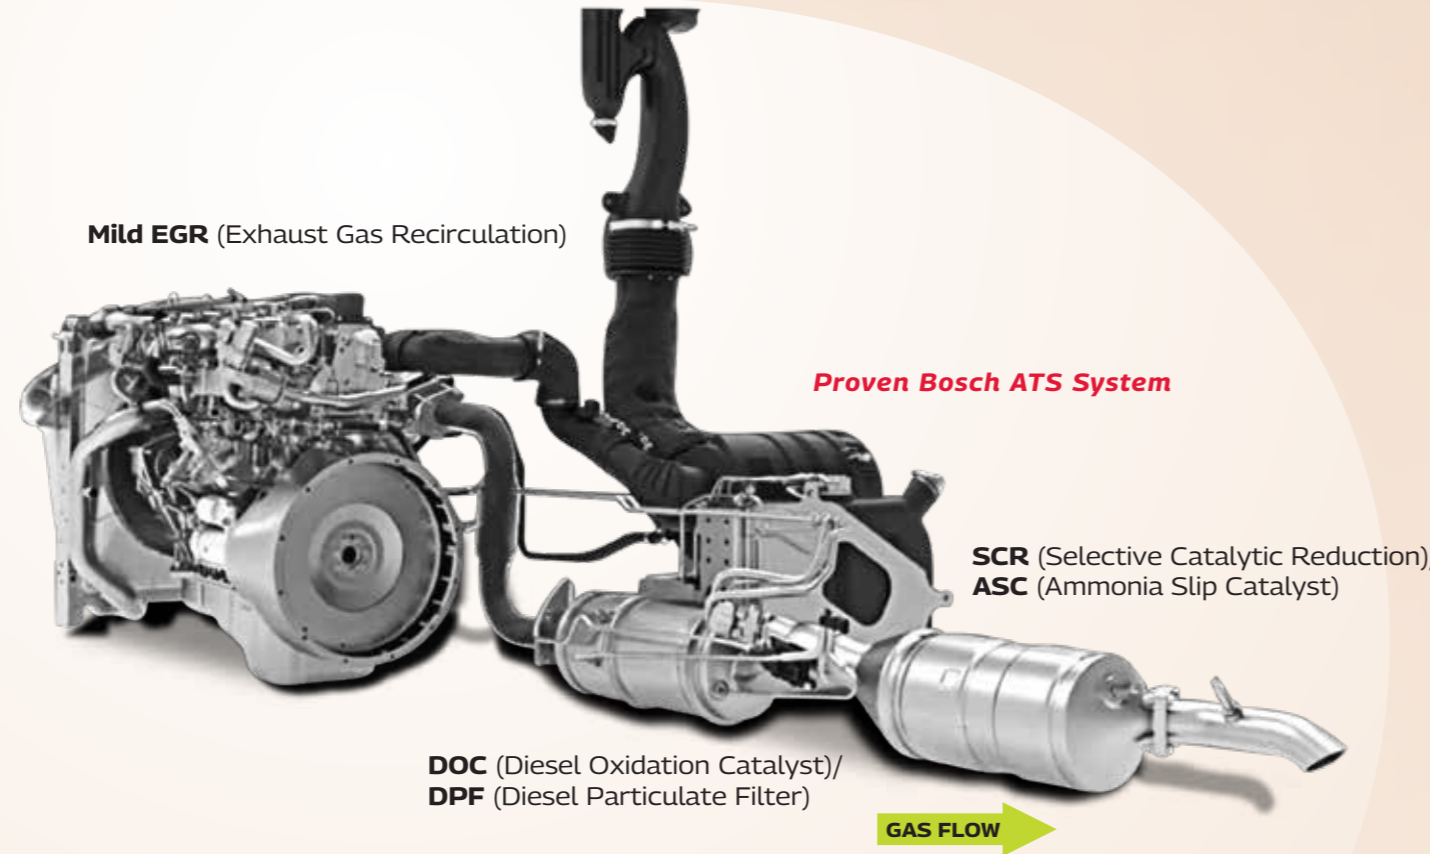

This luxurious vehicle is powered by Mahindra's mDi Tech FuelSmart engine. The engine is powerful, super-efficient, low on friction, and comes with FuelSmart technology. But most importantly, it is backed by Mahindra's reputed CRDe expertise of more than a decade. This engine has an 1800 Bar Common Rail System and an Alternator Wastegate Turbocharger that together give you improved performance; by delivering a unique combination of higher power and higher fuel economy. A Hydraulic Lash Adjuster (HLA) means no more tappet setting every now and then. Same with the Auto Belt Tensioner which sets itself and requires no manual adjustments.

Proven mDi Tech Engine

## MAHINDRA BS6 AFTER TREATMENT SYSTEM LOWER ADBLUE MEANS HIGHER EARNINGS.

Mahindra CRUZIO GRANDE is not only built for profits but also for savings. Use Mahindra recommended AdBlue Maximile Plus for lower AdBlue Consumption that means fewer trips for refueling and lower AdBlue expenses. And what does this mean for your transport business? Increased earnings of course.

Mild EGR (Exhaust Gas Recirculation)

Proven Bosch ATS System

SCR (Selective Catalytic Reduction)/  
ASC (Ammonia Slip Catalyst)

DOC (Diesel Oxidation Catalyst)/  
DPF (Diesel Particulate Filter)

GAS FLOW
