A STRONG FOUNDATION FOR COUNTLESS CUSTOMISATIONS

Why buy a ready-to-drive chassis rather than a ready-to-drive bus? Because when it comes to growing your business, you're in the driver's seat. Because you know your business better than anyone. Be it for comfort, safety or convenience, you can customise a ready-to-drive chassis to create your dream bus that perfectly matches your own unique needs and goals.

MAKE THE RIGHT CHOICE

Customising a bus comes with a world of benefits to drive you ahead of the competition with ease.

- Styling option
- Interior themes- fabric, colour theme
- Features Air Suspension, CCTV etc.
- Seating option - PB, 3x2, 3x3, 2x2 split back seats etc.
- Brand image
- Usage need - stage, tourist, staff

PERFECT FOR ALL JOURNEYS

From schools to employee transport to stage buses, with a ready-to-drive chassis, you can build your own bus that will make you and your target audience happy.

Schools:

- Safety features like CCTV (optional), reverse camera (optional), GPS tracking
- Double door options
- Customised seating capacity

Employee transport / travels:

- Push-back seating options
- Styling with company themes and colours
- USB charging facility
- Rear dicky for weekend getaways (optional)
- Infotainment system (optional)

Stage buses:

- Customisable looks & seating capacity
- Heavy duty bus body structure
- Features like destination board, CCTV (optional), reverse camera (optional), PA system

READY TO MAKE A DIFFERENCE

Mahindra CRUZIO's ready-to-drive chassis is in a league of its own. Engineered with unique features along with the latest in technology, we at Mahindra have gone the extra mile to make Mahindra CRUZIO's ready-to-drive chassis; the most profitable one in its class.

Best-In-Class mileage

Customise as per your safety

Tailor made as per your comfort

Personalise as per your convenience

Ability to modify seating capacity

A GAMECHANGER UNDER THE HOOD

The engine in the Mahindra CRUZIO has a 1600 Bar Common Rail System, an Alternator Wastegate Turbocharger and an Electronic EGR. They work together to give you improved performance in every aspect, even delivering higher mileage. An Electronic Viscous Fan makes sure that the engine temperature is always within a safe range. And a Higher Capacity Alternator makes sure higher electrical loads are not a problem.

- Same and proven 2.5 litre mDi engine with minimal changes in BS6
- 12+ Years of CRDe expertise

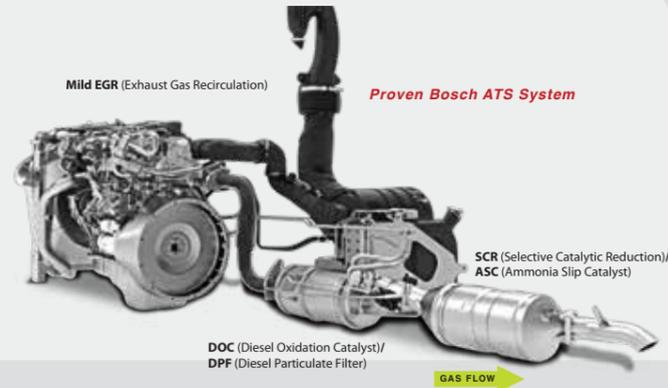

Best-in-class mileage with proven mDi ENGINE

OUR FOUR PILLARS OF SUPPORT

Be it for owners, drivers or passengers, every creation of Mahindra Truck and Bus has always catered to the need of every stakeholder. And Mahindra CRUZIO is no different. With the best of comfort, safety, convenience, Mahindra CRUZIO is truly an all-in-one bus that powers your profits as well.

PROFIT BOOSTER

Engineered with the trusted features and parts of Mahindra, Mahindra CRUZIO is equipped with everything needed to drive ahead your profits:

EGR + SCR with acclaimed **Bosch ATS System** gives low AdBlue consumption

COMFORTABLE JOURNEYS ONLY

No matter what the destination, every journey should be taken in total comfort. Precisely why, Mahindra CRUZIO has gone the distance to provide first-class comfort with its unique structural features.

Parabolic Suspension with Rubber Tip between plates gives better ride comfort

Wider Chassis Width provides comfortable seating and easy movement inside cabin

Better Gearbox (MNT 40) and Clutch (280 mm Diameter) with Clutch Booster provides more contact area hence, higher life.

Tilt and Telescopic Steering which is highly adjustable to every kind of person and offers comfortable driving position in its class

4-way Adjustable Driver Seat, provides complete head & back support to driver with 3 Point ELR Type Driver Seat Belt

TAKING THE SAFEST ROUTE

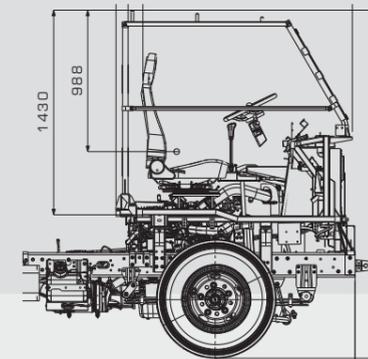

Every creation of Mahindra has been a benchmark of safety. And Mahindra CRUZIO RTDs are no different. Equipped with the trusted and most-advanced features of Mahindra, Mahindra CRUZIO RTDs will always provide unmatched safety for its drivers and passengers on every journey they embark.

Twin Round Headlamps provide better light spread at night with both upper and dipper light arrangement for better light vision & safer night driving for drivers

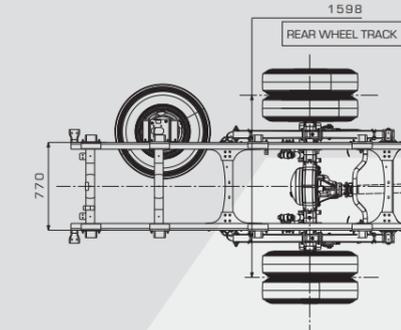

Anti-Roll Bar provides better stability at corners & lane changing at high speeds for higher passenger safety even at high speeds

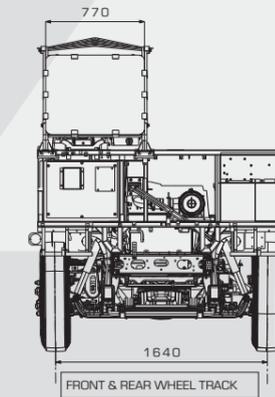

Optimum Front Overhang provides better visibility at front & lhs in city and highway hence, higher safety in city traffic.

TRAVEL MADE SIMPLE

Mahindra CRUZIO RTDs not only makes your life easy, but your drivers' and helpers' as well. Engineered with first-class features that provides the best of convenience, Mahindra CRUZIO is super easy to maintain and drive at the same time.

Side Spare Tyre Mounting provides easy opening of spare tyre just by jack rod arrangement, so there's no need for helpers or conductors to lay down under the bus to remove the tyre.

Access to Daily Check Points provides easy accessibility to parts like air filter, power steering oil reservoir, clutch oil reservoir and washer tank.

Advanced Driver Information System with 110 Amp Alternator ergonomically positioned for easy reading, makes driving easy with all the useful information available on cluster for improved trip management.

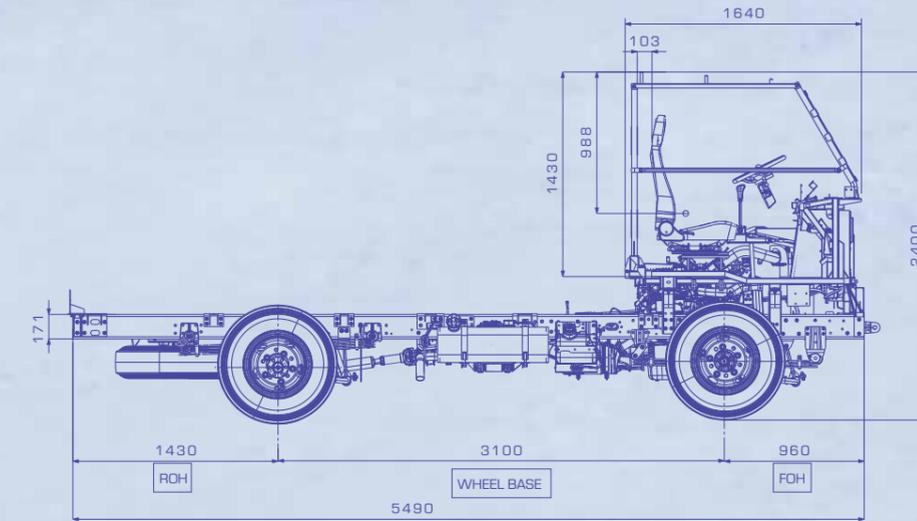

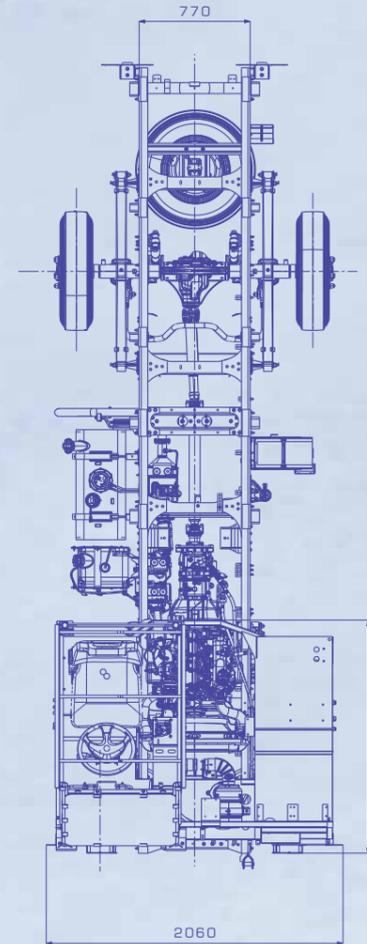

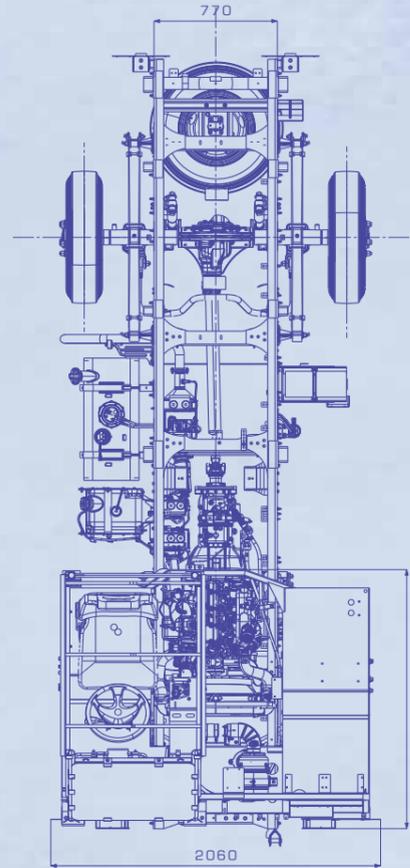

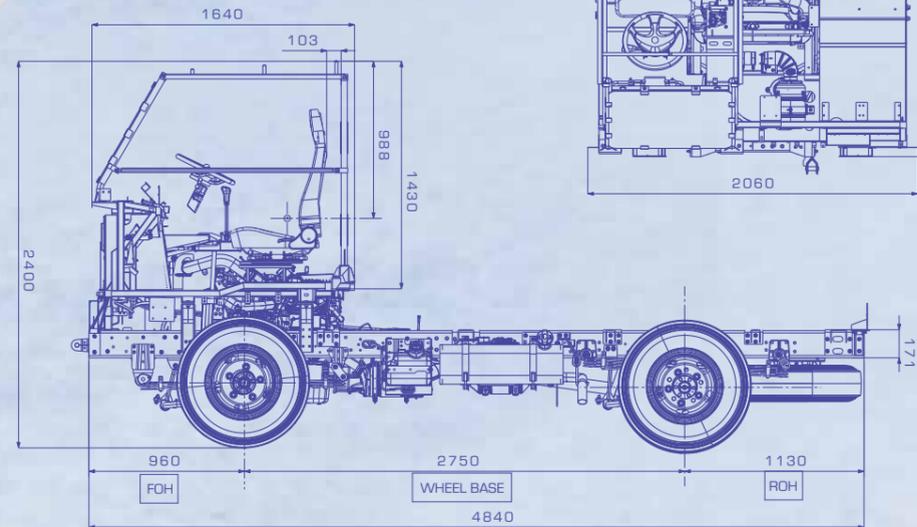

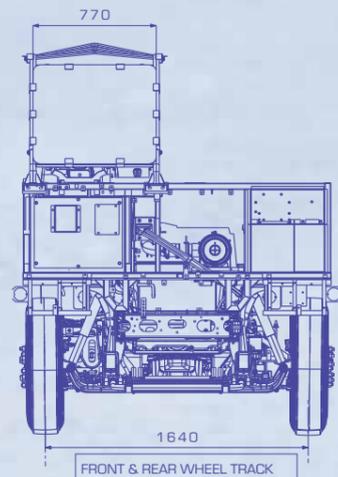

A WHOLE NEW RANGE OF PERFECTION
