MAHINDRA FURIO BS6 – A BIG LEAP FOR INDIAN TRANSPORT.

This truck has everything it needs to transform the entire transport industry in India. Styled at the famous Italian automobile design and engineering company, Pininfarina, the Mahindra FURIO is crafted with striking looks and gives the assurance of outstanding performance. This proud addition to our truck range marks a new dawn for the Intermediate Commercial Vehicle (ICV) category and makes Mahindra a full range commercial vehicle player.

**WHEN YOU DELIVER HIGHER PROFITS, PEACE OF MIND AND PROSPERITY,
THE WORLD ACKNOWLEDGES IT! NOT ONCE, NOT TWICE, BUT 3 TIMES!**

MILEAGE, THE BIGGEST REASON FOR MAHINDRA FURIO'S PROFITABILITY.

The Mahindra **FURIO** gives nothing less than the best mileage among ICVs in India. With fuel costs rising the way they are, this truck is the biggest game changer for your business.

- Best-in-class mileage
- Needs lower AdBlue, gives you more savings
- Smooth performance leads to extra trips and more earnings

RELIABILITY THAT CONTRIBUTES TO GREATER EARNINGS.

This truck has such a high degree of reliability that doing business smoothly becomes an absolute certainty. In other words, you can depend on the Mahindra **FURIO** to quietly deliver consistently high performance trip after trip. And its build quality makes breakdowns a long-faded dream.

- Rugged aggregates for unflinching reliability
- Consistent and reliable performance for on-time deliveries
- Allows drivers to clock more kilometres every month
- Minimal changes from BS4 to BS6 ensures similar high payload capacity

362 mm Diameter Organic Clutch

High Strength Low Alloy Material (HSLA 550)

Heavy-Duty Axle of Dana

HAPPIER DRIVERS MAKE FOR MORE PRODUCTIVE DRIVERS.

The Mahindra **FURIO** makes driving more comfortable. This allows drivers to make more trips which in turn contributes significantly to your earnings. In fact the driver's comfort was an overlooked factor for many years. But Mahindra **FURIO** has changed that completely.

- Space enough for two drivers
- Roomy cabin, with lower noise and vibration
- Ample resting space in cabin during stopovers; means less tiredness over long drives
- Well-ventilated cabin brings down temperatures; especially in hot conditions
- Gives you market rate business edge by making on-time delivery possible
- Cabin provides higher operational comfort
- Comfort that makes night-driving less of an effort
- Good cabin ergonomics leading to higher trip efficiency

*Sleeper Berth is the optional fitment in FURIO 11

WITH MORE SAFETY COMES MORE ASSURANCE.

The Mahindra **FURIO** has several safety features to not only make drivers feel safer at higher average driving speeds but also give you the assurance of cargo safety. This is another reason why this truck is ideal for drivers and an important addition to your fleet, especially for perishable goods.

Widespread Fog Lamps for Excellent Visibility at Night and in Dark Conditions

Front Anti-Roll Bar (ARB) for Greater Stability on the Road

8 Bar Brakes

8 Bar Braking System for Quick, Short Stops

High Strength Low Alloy Chassis for Higher Strength and a Greater Sense of Security

Tubeless and Radial Tyres* for High Speed Capacity, Better Stability And Puncture Resistance

Safest Cabin with Best-in-Class Survival Space

Think of the Mahindra iMAXX telematics technology as your personal assistant that updates you with vital information about your vehicles and business. Mahindra iMAXX comes with smart features like Accurate Refills, Live Tracking, Predictive Vehicle Health Monitoring, Fuel Efficiency Analysis, Theft Alerts, Fuel Consumption, Adblue Monitoring, Driver Behaviour Monitoring and a range of Automated Operation Reports.
