Sub: - Testimonial letter for Blazo-35 BSIV

We, M/s Trans India Logistics, Janak Puri- Delhi are having 10 Blazo-35 BSIV in our fleet which plies on Pan India Basis one side load in Car Carrier application.

We would like to appreciate the support provided by whole Mahindra team in establishing the vehicle. Our observation is that Mahindra vehicle delivers better Fuel Economy than any other competition vehicle in same segment. Mahindra team has conducted a Standalone trial of my vehicle to establish the mileage in which it has performed as per my expectation.

Model	Total km	Diesel top up	Mileage	Ad-Blue	Ad-Blue % Consumption	GVW Ton	Pay Load Ton	Un laden Ton	Route
Blazo-35	3173.4	745.59	4.26 KMPL	12	<2%	28/29	8/9	20	Gurgaon-Haridwar-Ranchi-Gurgaon

Apart from FE, the vehicle is also capable of carrying more load and Excellent pickup and cabin comfort adds extra advantage in the vehicle.

I would definitely like to add few more Mahindra vehicles in my fleet and recommend to my fellow transporters also.
