Subject: Appreciation letter of Mahindra BLAZO vehicles Product and Service Support.

We M/s Amigo Connix (India) Pvt. Ltd, Bangalore and having fleet of over 35 Vehicles including of Mahindra Truxo 25T TM 13 nos and BLAZO 25T TM BS4-12 nos. Mahindra BLAZO 25T TM BS4 4 vehicles are Plying in Bangalore city. Remaining vehicles are plying in Ranchi. We would like to inform to you that we are satisfied with Mahindra Vehicle's Performance. We are getting good fuel efficiency with low maintenance and in addition to this we are getting good service support from Mahindra.

Following is our feedback on the Product and Support thereafter:

- Mahindra Vehicles are very much suitable to our Operation. Mahindra vehicles are giving better fuel efficiency.
- Overall Satisfaction of the Product is very good compare to competitors.
- Vehicles are totally trouble free and reliability is Very high.
- After sales support and resolution and reaction time on the Product is extremely good.
- Mahindra vehicles are giving better tyre life compare to competitors.
- Clutch life is better than competitors vehicles.
- Powerful Braking system compare to competitors.
- Cabin is more comfortable for drivers, drive for more KMs in single stretch than the competitors.
- Less adblue consumption.

We will definitely consider Mahindra vehicle in our next Purchase plan and suggest the same to other fleet customers also.
