Subject:- Appreciation Letter for BLAZO 35 BS4 Tractor Trailer

Dear Sir,

We are M/s Professional Automotive Pvt. Ltd, in Car Carrier application Business for last 20 years. Our all vehicle plying within Delhi to South India . Our current fleet size near about 850+ vehicles. We have purchased 18 Mahindra BLAZO 35 in F 17-18, all these vehicles are into Car Carrier Application in under load.

Performance of these vehicles are very good, due to better fuel efficiency, less fatigue & better driver comfort drivers are demanding for Mahindra Vehicles & Giving 1st priority to Mahindra vehicles. We are getting almost 10% better mileage with Mahindra Vehicles than competition vehicles.

BLAZO 35 BS4 Tractor Trailer - 4.20kmp/l

Mahindra BLAZO 35 BS4 having Better Ad blue consumption of **1.5-2%** only where for TATA 3518T BS4 having **2.45 to 3.10%**.

We are getting good service support from MTBD Service Team. Based on the Tractor trailer application BSIV vehicles performance, we purchased 09 BLAZO 35 BS4 in this month, which are also in same application.

Succeeding confident facts about Mahindra BLAZO 35 BS4

- Multimode Fuel Smart Switch
- Comfort Cabin
- Engine Powder
- Driver Effortlessly
- Better Fuel Efficiency

We are very pleased special feature of **BLAZO having DIS(Driver Information System)**, which shows us F.E & very easy to track the F.E of vehicle.

1. Longer oil change interval and low cost spare part of Mahindra Trucks gives me a distinct advantage of Rs 10,000-12,000/year as compare to AL & TATA.
2. Driver are very happy with cabin comfort and less blind area and less turning circle and fuel FE.

I will recommend other Transporters to buy Mahindra Trucks.

Regards,

For Professional Automotives Pvt. Ltd.
