

**RADIANT**  
**TANKER SERVICE**

**Fleet Owners & Transport Contractors of Liquid Chemicals, LPG & Containers**

To

**Mahindra & Mahindra**

**(Truck and Bus Division)**

**Sub: Product performance**

My Self Kulwant Singh Randhawa Location Vadodara (Gujarat) having 43 Nos. Mahindra's Vehicle. My organization name is Radiant Tanker Service. We are very satisfied with the mileage and service that Mahindra provided and this made me to buy more vehicles. Again, after the launch of BS4 and also looking at the Blazo Mileage Guarantee, I purchased 2 more Blazo 37 BSIV Vehicles. I am getting a mileage of 4 Kmpl from Mahindra's Vehicle in same route my others Vehicle like Tata and Ashok Leyland giving below 3.7 kmpl, Comparison to others competition Vehicle, Mahindra giving me 5 to 6 ltrs batter mileage in every trip.

**Following are my observation & Testimony on Mahindra trucks:**

1. Best Fuel Economy Compared to other Vehicle like Tata & AL.
2. Drivers are very Comfort to drive Mahindra's Vehicle.
3. Driver comfort at cabin is very good.
4. Quick and good service.
5. Better profitability than competition.
6. Strong body. And best Service & sales Support

I shall never hesitate to recommend this product to other fleet owner.

Thanking you.

PROPRIETOR
