Dear Sir,

With immense pleasure we would like to state that we **M/S Bombay Guwahati Transport Co.** are satisfied owner of Mahindra truck. We are maintaining 42 no's of vehicles in our fleet. We are having 24 no's of Mahindra BLAZO 37 in our fleet and we are plying this vehicles without any measure problem. In truck business breakdown usually occurs but the point is whether it is repaired with in the committed time or not. In Mahindra this issue had been looked upon very seriously, whenever any service repairs required then the support from service team as well as sales team is very much appreciable. Vehicles are continuously monitoring from MTBD executives to deliver the best fuel average.

We are satisfied with vehicle mileage and performance. Our drivers also giving positive feedback on Mahindra truck performance, cabin comfort and peak up compare to other vehicles.

I will happily recommend this product to other transporters and willing to induct more vehicles in our fleet.

Thanking You,

Umish Aggarwal
