Sub: - Testimonial letter For Blazo-37 BSIV

We, **M/s KMR Transport Company**, Palwal are having **6 no's Truxo-37 & 10 No's Blazo-37BSIV**, in our fleet which plies on Noida to UP Route at Rated Load.

Initially we had added 5 no's Truxo-37 Vehicles to our fleet, after observing the performance of vehicles, we again has purchased 10 Blazo-37BSIV.

As per our observation these vehicles are plying very well & giving better FE in comparison to other competition vehicle in my fleet.

**Key Features:-**

1. Our drivers are happy to drive Mahindra Blazo-37 vehicles due to its better FE & cabin comfort.
2. Drivers are getting up to 3.6- 3.7 KMPL Mileage from Mahindra Blazo-37BSIV (Noida to Baijpur-UP Route).
3. Mahindra vehicles aggregates are robust, long life & equipped with better driver line.
4. We are also getting better sale & service support from Mahindra Team.

We wish Mahindra & Mahindra a better future & looking forward a great co-operation.

For M/s KMR Transport Company
