Sub- Regarding satisfaction of Blazo 37 vehicle performance and Fuel economy

Dear Sir,

We are pleased to inform you about the performance of our Mahindra BLAZO 37 vehicle. We are having 40 vehicles in our fleet & out of which 19 no's of Mahindra BLAZO 37 vehicles including 5 no's of BLAZO 37 which is recently introduced in our fleet. We are plying these vehicles in Mathura to Jamnagar and Mathura to Mumbai route in Bitumen Tanker application. Performance of BLAZO 37 is very satisfactory in the following areas.

- We are getting 4.3 kmpl from Blazo 37 vehicle, on same route our TATA and AL vehicles giving 3.9 to 4.1 kmpl, because of that we are getting around 6000 to 7000 Rs more profit/month from Mahindra vehicles.
 - We are getting around 500 kg more pay load advantage than AL vehicle and 300 kg than TATA vehicle, which is giving extra benefit to our business.
 - Our few vehicles covered around 60,000 kms and we not received any complaint regarding tyre wear and other major tyre related problems.
 - The engine power and pick up is excellent in BLAZO 37 vehicle and hence vehicle reach the destination at expected time.
 - Our driver is giving positive feedback on BLAZO 37 vehicle for performance, cabin comfort and pickup compare to other vehicles.
 - They can cover more kilometers at a stretch due to better cabin comfort.
 - Multimode technology is very good for us during load and empty condition, it is giving extra benefit to our business.
 - Engine, gearbox, differential, clutch plate and brake liner are robust and performing well. Mahindra sales and service team is very supportive.
 - Service support from dealer team is very good.
 - Vehicles are continuously monitoring from MTBD executives to deliver the best fuel average also Digi-sense is very good facility in Mahindra vehicle.
 - Service support from Hind motors MD Mr Javed & Hind Motors service team is very good.
- Thankyou hind motors

I will surely recommend this vehicle to other transporter brothers. We look forward with Mahindra vehicles.
