**Subject:** Mahindra BLAZO37 (BS4) Performance and Service support.

We, M/s **RAMINENI TRANSPORT**. Based out of Huzurnagar (Telangana). Having 55 units of BS4 vehicles. Which we are using in Cement applications. From Huzurnagar (Telangana) to Hyderabad & various routes in Karnataka and Andrapradesh. Started our transport business in 1998, and in 2011 we have entered in the Mahindra product with Mahindra MN31 (15 No's). And recently we were brought 9 units of Blazo37 BS4 vehicle. After BLAZO37 positive experience, we have done **repeat** purchase of 7 more units of Blazo37 BS4 vehicles.

In KODAD-SURYAPET-HYDERABAD route we are getting following millage.

Model & Emission	GVW (T)	Payload (T)	Fuel Avg	Ad blue consumption
BLAZO37 BS4 PUSHER AXLE	38	26	3.3 TO 3.6	2.5 Ltrs/100 lits Diesel

Our present fleet consists 105 vehicles, with 16 units of Mahindra Blazo37 BS4) and 39 units of other BS4 vehicles. (Ashokleyland 3118-25 no's, TATA3118-25no's.

We are very satisfied with Mahindra Blazo37 BS4 vehicle performance and Service provided by Mahindra.

Multi-Mode technology is very suitable for my application as my trips are always some kilometers of empty running.

Our drivers are giving good feedback about vehicle pickup and cabin comfort. And we have good tyre life experience with MN31 vehicles.

We will definitely consider Mahindra vehicle in our next purchase plan and suggest the same to other customers in our business.

Thanking you.
