To,

Mahindra and Mahindra Ltd,

Ahmadabad.

We, Gautam Freight Pvt Ltd. have a Total fleet of Mahindra(49 vehicle) i.e Blazo 40 - 20, MN 40 -10, MN35 -3, Traco40 -9, TORRO 25 – 5, Blazo 37 - 2 Tata- 4018 32 nos, Tata TP - 12 Which are utilized in Container transportation, loose salt transportation, Diesel Bowzer We are running the vehicle in kutch territory.

I am very much satisfied by Diesel consumption is less then competition, due to that we are getting more benefits W.r.t other competition vehicles.

Mahindra Team has recently conducted trial of Blazo 37 BS4 and got surprising result for which the result is as below:

Vehicle	Mahindra Blazo 37 BS4
Route	GANDHDHAM TO JAMNAGAR
Application	TANKER
Road Conditions	80% Four Lane, 20% Single Route
Total Running	570 KM
Fuel Consumption	152 Ltr
Fuel Economy	3.75 KMPL (OSL)
Ad Blue Consp.	2.5 ltr

Cabin Comfortability is very good, my drivers appreciated cabin features. Pick up is also good. The performance of the Blazo 37 BS4 is satisfactory. As per my experience Blazo 37 BS4 is really good product and suitable for Cement Transport application.

We are getting proper service on time from Shantinath Motors Pvt Ltd. Gandhidham Dealer and very much satisfied with their manpower Response and work Quality.

With Regards,
