## Sub:- Performance appreciation of Mahindra vehicles

We, M/S MORINDA ROAD CARRIER, are happy to share our experience with you, about the performance of Mahindra vehicles in our fleet. We have total 40 no's of fleet size including TATA, AL, & MAHINDRA. In our fleet we have 11 no's of Mahindra including Blazo 40.

We operating our fleet in Market load, Tractor trailer, steel and container since 1995 from Punjab to MP, Kolkata, Gujarat, Maharashtra, Karnataka and Orissa etc.

## Vehicle Performance BLAZO.

- Fluid economy is better improving profitability. The BLAZO 40 is giving a diesel mileage of **3.45-3.50 KMPL**, where other vehicle in my fleet with same tonner giving a diesel mileage of **3.1-3.2 KMPL**.
- Engine power is excellent helping the drivers to complete trips is lesser time period and also better drivability using smart switches. This convert trip time saving of 12 hours in every trip than others vehicles.
- In Blazo vehicle had given driver information system cluster, this is user-friendly for driver to understand any complaint and interact with service team, this help to solve problems with very short time. Also we can set trip data on cluster (trip Km, mileage and engine hour etc.)
- The Comfort of the cabin is fatigue free compared to other competitor. Drivers are very happy and are driving more Kms compared to other vehicles.
- BLAZO vehicle is fitted with fuel smart switches having 3 different modes - Light, heavy & Turbo mode. This technology helps us on both better Fluid economy & turnaround time.
- Tyre wear and tear of Blazo vehicle is less than others, we have advantage of 12000 Km tyre life than other.
- The team is really supportive, may it be sales or after sales, they are prompt in helping us with solution. Now 24X7 call centre is helpful regarding any break down.

I am here by satisfied with the Mahindra Sales & Service support

Regards
