The Mahindra JAYO carries more load and saves more money to make sure you earn more on every trip. So get the Mahindra JAYO, get more earnings and get the opportunity to make your dreams come true. There's a lot more to the all-new DI3200 JAYO. Read further to know more.

FEATURES TO HELP YOU OUTPERFORM

- Best-in-class fuel efficiency
- Best-in-class payload and loading span
- Factory fitted High Side Deck (HSD) body available
- Compact build for reaching even small, crowded areas.
- Power steering for fatigue-free driving and easy manoeuvrability

FuelSmart is automotive technology at its best, at its simplest. Developed by Mahindra to give your business a competitive edge, the FuelSmart switches let you choose between superior mileage and unmatched power as and when your business demands.

Turn on the Load mode when the vehicle is loaded and simply switch on the Empty mode when running without load. Both modes squeeze the maximum efficiency from the engine and provide you unbeatable mileage. This is the FuelSmart advantage.
